

TOWN HALL PROGRAMS AND ACTIVITIES

The Board of Directors sponsor activities and programs for persons who live in the Placid Lakes Subdivision. Guests of members and non-members are welcome to attend some of these programs. All Town Hall activities are held at 2010 Placid Lakes Boulevard.

The major purpose of these activities and programs is to bring people from the Placid Lakes Community together to enjoy various events, conduct needed improvement projects and to promote membership in the Association. During many of these programs Board Members usually hand out literature and answer questions related to the vision, mission and goals of the Association. There will be prizes for lucky attendees at many of the social events and Christmas Party.

Read about the activities and programs in the following content that include the Neighborhood Watch Program, the Firewise Program, the social activities, and the regular daily schedule of activities.

Please meet at the porch of **TOWN Hall 2010 Placid Lakes Boulevard at 8:30 AM** to complete waivers and obtain supplies. Please contact Board Member Diane Yeager (464-1400) to become part of the crew in this litter cleanup program.

NEIGHBOR WATCH PROGRAM

Nell Hayes, Highlands County Sherriff's Office is assisting our Association with the Neighbor Watch Program. There are Neighborhood Watch signs at the entrances to Placid Lakes. The Neighborhood Watch Program is currently being organized with a telephone tree for reporting unusual events in the Placid Lakes Sub-division to the Highlands County Sheriffs Office. More information is available from members of the Board of Directors.

FIREWISE PROGRAM

Placid Lakes Community has received notification from the Firewise Communities national program that our Firewise Program has been renewed. The Firewise certificate and decals will be sent to us and then will be placed on the two Firewise signs at the entrances to Placid Lake Subdivision.

The Board of Directors at the January 12, 2010 will discuss the need to update the Placid Lakes Firewise Plan that has not been updated since February 4, 2005 and to hold a Firewise Day in conjunction with the Placid Lakes Fire Department. The Association will be assisted with these two programs by Melissa Yunas, Florida Division of Forestry.

The national Firewise Communities Program can be viewed on the Web at: <http://www.firewise.org> Firewise literature is available at Town Hall in the Welcome Center front screened porch area.
