The major purpose of these activities is to bring people together to have fun and to promote membership in the Placid Lake Home and Property Owners Association. Board Members will hand out literature and answer questions related to the vision, mission and goals of the Association. There will be some prizes for lucky attendees.

~~March 14 — DOING' IT GREEN 4:30-7:30 PM~~ Activity Over

Music was provided for the Jam Session by Ed Sheeran (left) and Mike Reynolds played guitar and George Filip on the accordion.

Saturday April 18, 2009 - THE GLAD HATTERS 4:30-5:30 PM (Jam session 5:30-7:30)

The Glad Hatter's are a group of theatre members who enjoy making people happy. As the "senior arm" of Highland Little Theatre, they perform wherever and whenever asked. This is a readers group with a repertoire of skits songs and jokes. As "privileged" members of the theatre, they do not memorize the scripts but carry their books on stage with them. A very entertaining hour and we are privileged to have them perform right here at Placid Lakes Town Hall.
